

Apache Low Cost of Ownership

RUGGEDLY SIMPLE, DEPENDABLE AND PROFITABLE

The Lowest Cost of Ownership in the Industry

The Apache is the businessman's sprayer. Compared to competitors:

- Service costs are lower.
- Replacement parts cost less.
- ET's industry-leading five-year warranty saves money on parts and labor.
 - Provides insurance against unforeseen risks.
 - Guardian Inspection Program is free at the end of year one (a \$600 value).
 - Optional extended bumper-to-bumper warranty for year two.
- Operating costs are lower.
- Purchase price is lower than comparable sprayers.
 - The Apache costs from \$25,000 to \$75,000 less than comparable sprayers.
- The result is the highest resale value in the industry!
